We're deeply rooted at the foot of Pine Mountain and our love for our community is shared through our house made, friendly service and a commitment to offering you a great place to relax and enjoy some of life's simple pleasures. A lot of our menu items are from Peggy Childers' original recipes that are made the same way she did and are the reason our customers are as loyal today as they were more than 30 years ago.

From the staff and management of Pine Mountain Grill, we're glad you decided to dine with us today.

Thanks for stopping by. We're glad you're here.
